

# 8 Inch Mainline Crawler

***This Crawler Does It All!  
Pipe Inspection from 8" to 72"***

## GENERAL FEATURES

- Forward/Reverse/Automatic Freewheel
- Single Swivel connector at rear of crawler - reduces wear and damage to connection
- Utilizes chain versus cables to connect to video cable (adjustable)
- Industry compatible - can be installed on any multi-conductor system with an appropriate adaptor cable
- No manhole entry required. Special lowering/retrieval harness provided
- Quick and simple lift wheel change for different pipe size inspection
- Powerful 0.2HP gear motor with cut steel gear planetary reduction gearhead.
- Unique belt drive provides superior traction
- Long-lasting, maintenance-free drive belts providing 4 wheel drive
- User can carry out all normal maintenance such as replacement of seals, bearings and drive gears
- Powerful, yet compact enough to handle all Contractor needs
- 0-60' Per Minute
- Crawler width (without wheels): 5½"
- Overall Length (with camera): 28"
- Foam filled wheels ensures no reduction in traction as with air inflated tires

8 Inch Crawler

Stainless Steel Swivel Connector

## ELEVATOR FOR LARGE PIPE INSPECTIONS (OPTIONAL)

- Provides 36" - 72" Pipe inspection capabilities
- Remote controlled elevator and additional lighting optional
- No additional power supply needed for large pipe inspections

***Cobra Crawlers Maximize the Productivity and Earning Potential of  
Your Inspection Equipment***

***"We have used the Cobra Crawlers for 10 years with minimal problems. They just continue to work day after day. The 8 inch Crawler is extremely powerful and the belt drive has amazing traction in PVC and grease."***

***Clarence Baldwin,  
McCullough Rehab - Wilsonville, AL***
